

# ENZO BOZZANI - SOFTWARE DEVELOPER

Santos, São Paulo, Brazil • +55 (13) 99644-0301 • [bozzanienzo@gmail.com](mailto:bozzanienzo@gmail.com) • [linkedin.com/in/enzo-bozzani-812a7322a/](https://www.linkedin.com/in/enzo-bozzani-812a7322a/)

## SUMMARY

I am a software developer specialized in fullstack development. My main focus revolves around JavaScript, TypeScript, React, NextJS, NodeJS, C#, and .NET, in addition to databases such as PostgreSQL, MySQL, and MongoDB. I am passionate about technology, quickly adapt to new challenges, and am committed to deeply understanding the development logic and business objectives of the projects I work on. Portuguese is my native language, but I am proficient in advanced English.

## PROFESSIONAL EXPERIENCE

CAD FEI, São Bernardo do Campo, SP, Brazil 2023 – Present

### FrontEnd Developer (Undergraduate Research)

- I participated in the development of the FrontEnd of a complete web application aimed at enabling faculty members of FEI University to manage their academic career, handling documents and various information.
- In the development of the application, the tech stack was composed by React, TypeScript, CSS, Vite.
